Instagram Captions

1. Educational Authority Caption

Purpose: Teach a useful concept while positioning the creator as a credible expert

Prompt:
Act as a senior Instagram copywriter specializing in [NICHE]. Create an educational caption about [TOPIC] for [TARGET AUDIENCE]. Help readers understand [DESIRED LEARNING OUTCOME] and encourage saves. Use only [SOURCE NOTES]. Structure: curiosity hook (12 words max), problem, 3-5 actionable lessons, practical example, summary, save/share CTA. Tone: [FRIENDLY / PROFESSIONAL / BOLD]. Under [WORD COUNT] words. Add 3 alternative hooks.

2. Personal Storytelling Caption

Purpose: Turn a real experience into an engaging, meaningful story

Prompt:
Write an Instagram story caption from [REAL EXPERIENCE] for [TARGET AUDIENCE]. Central lesson: [MAIN LESSON]. Apply it to [RELEVANT SITUATION]. Structure: tension hook, context, challenge, turning point, outcome, lesson, closing question. Use only supplied facts; do not invent dialogue, results, emotions, or events. Tone: [REFLECTIVE / WARM / CONFIDENT]. Maximum [WORD COUNT] words.

3. Product or Service Promotion Caption

Purpose: Promote an offer without sounding overly aggressive

Prompt:
Create a promotional Instagram caption for [PRODUCT OR SERVICE] aimed at [TARGET CUSTOMER]. Use [PAIN POINT], [OUTCOME], [BENEFITS], [PROOF], [OBJECTION], and [OFFER DETAILS]. Start with the problem or desired outcome, explain value, address the objection honestly, and end with [BUY / BOOK / DM / VISIT LINK]. No pressure tactics or false urgency. Provide 1 caption, 3 CTA alternatives, and 2 short hooks.

4. Instagram Carousel Caption

Purpose: Encourage users to swipe through and save a carousel

Prompt:
Write a caption for the carousel “[CAROUSEL TITLE]” helping [TARGET AUDIENCE] achieve [OUTCOME]. Use [SLIDE OUTLINE]. Include a swipe-focused first line, why it matters, complementary context, one memorable takeaway, and a save/share CTA. Tone: [TONE]. Under [WORD COUNT] words. Do not repeat every slide or add unsupported claims.

5. Personal Brand Authority Caption

Purpose: Communicate expertise without sounding self-important

Prompt:
Act as a personal-brand strategist. Position me as a credible voice in [AREA OF EXPERTISE]. Point of view: [INSIGHT]. Evidence: [EXPERIENCE / DATA]. Write for [TARGET AUDIENCE]. Structure: point of view, importance, example, application, discussion CTA. Intelligent, direct, human; no jargon or invented achievements. Under [WORD COUNT] words. Add 3 openings.

6. Transformation Caption

Purpose: Share progress or results in a realistic, responsible way

Prompt:
Describe the journey from [BEFORE STATE] to [AFTER STATE] using verified [CHALLENGE], [ACTIONS], [TIME PERIOD], [RESULT], and [LESSON]. Structure: Hook → Before → What Changed → Process → Result → 3 Lessons → CTA. Write for [TARGET AUDIENCE]. Emphasize process; no guaranteed or invented results. End by asking which lesson was most useful.

7. Myth Versus Reality Caption

Purpose: Correct misinformation and replace it with practical guidance

Prompt:
Challenge the belief "[MYTH]" in [NICHE]. More accurate position: [REALITY]. Use [RESEARCH / EXPERT GUIDANCE / NOTES]. Explain why it sounds believable, what it misses, what to understand instead, one example, and 3 recommendations. Write respectfully for [TARGET AUDIENCE]. Separate fact, experience, and opinion; do not invent sources.

8. Saveable List Caption

Purpose: Create a practical reference readers will want to save

Prompt:
Create "[NUMBER] [TIPS / MISTAKES / LESSONS] About [TOPIC]" for [TARGET AUDIENCE]. Goal: [DESIRED RESULT]. Challenge: [CHALLENGE]. Use [SOURCE MATERIAL]. For each item include a title, why it matters, one action, and an example where useful. End with a summary and save CTA. Tone: [TONE]. Max [WORD COUNT] words.

9. Community Conversation Caption

Purpose: Generate meaningful discussion rather than superficial engagement

Prompt:
Start a genuine conversation among [TARGET COMMUNITY] about [TOPIC], exploring [CENTRAL ISSUE]. Begin with a relatable observation, explain why it matters, and ask one specific experience-based question. Include different perspectives; no engagement bait. Provide 3 versions: thoughtful, casual, and bold-but-respectful. Each under [WORD COUNT] words.

10. Raw Notes to Polished Caption

Purpose: Convert unstructured thoughts into a publishable caption

Prompt:
Act as my Instagram editor. Transform [RAW NOTES] for [AUDIENCE], with goal [GOAL] and voice [BRAND VOICE]. Preserve meaning and facts while improving hook, structure, clarity, pacing, and CTA. Format: Hook → Context → Value → Key Takeaway → CTA. Do not invent experiences, stats, quotes, or results. Add 5 hooks and 3 CTA options: engagement, saves, inquiries.

Instagram Reels and Hooks

11. Strategic Hook Generator

Purpose: Create strong openings for short-form videos

Prompt:
Generate 20 Reel hooks about [TOPIC] for [TARGET AUDIENCE]. Objective: [EDUCATE / ENTERTAIN / BUILD AUTHORITY / GENERATE LEADS]. Message: [KEY MESSAGE]. Group into curiosity, problem, outcome, contrarian, and story hooks. Each should fit ~3 seconds, with matching on-screen text and opening visual. Avoid clickbait. Rank the top 5 and explain why.

12. 30-Second Educational Reel

Purpose: Explain one valuable idea quickly and clearly

Prompt:
Write a 30-second Reel teaching [TOPIC] to [TARGET AUDIENCE]. Current struggle: [CURRENT SITUATION]. Takeaway: [LEARNING OUTCOME]. Timing: 0-3 hook, 3-8 context, 8-23 three points, 23-27 example/payoff, 27-30 CTA. Provide script, on-screen text, filming direction, and caption. Use only [SOURCE NOTES].

13. Problem-Solution Reel

Purpose: Address a specific audience problem with actionable guidance

Prompt:
Create a Reel about [PROBLEM] for [AUDIENCE], helping them achieve [RESULT]. Describe the frustration, identify one common mistake, provide 3 corrective steps, and show one example. Duration: [30 / 45 / 60] seconds. Supply script, on-screen text, B-roll, caption, and [SAVE / SHARE / FOLLOW / COMMENT] CTA. No guaranteed results.

14. Pattern-Interrupt Hook Collection

Purpose: Stop scrolling with distinctive but credible openings

Prompt:
Generate 20 pattern-interrupt hooks about [TOPIC] in [NICHE] for [AUDIENCE]. Objective: [OBJECTIVE]. Mix unexpected observations, assumption challenges, mistakes, demonstrations, open loops, and before/after contrasts. Keep each short and understandable. No false controversy or fabricated statistics. Add an opening shot/action for each.

15. Story-Based Reel Script

Purpose: Adapt an authentic experience into a compelling short video

Prompt:
Turn [REAL EXPERIENCE] into a Reel for [AUDIENCE] with lesson [LESSON]. Structure: Hook → Setup → Conflict → Turning Point → Outcome → Lesson → CTA. Do not invent dialogue, emotions, events, or results. Under [30 / 45 / 60] seconds. Provide script, scene text, B-roll, 3 hooks, and caption.

16. “Three Mistakes” Reel

Purpose: Create a useful, fast-paced educational Reel

Prompt:
Write “Three Mistakes [TARGET AUDIENCE] Make When [ACTIVITY]” from [SOURCE NOTES]. For each: mistake, why it hurts, and what to do instead. Under 45 seconds. Add hook, transitions, on-screen keywords, visual cues, and save CTA. Tone: [DIRECT / FRIENDLY / EXPERT]. Never shame beginners.

17. Talking-Head Reel

Purpose: Turn an opinion or insight into natural spoken content

Prompt:
Write a talking-head Reel about [TOPIC]. Core message: [CORE MESSAGE]. Support: [EVIDENCE / EXPERIENCE]. Include a clear opening, 3 talking points, one analogy, conversational conclusion, and CTA. Duration: [30 / 45 / 60] seconds. Match [VOICE]. Avoid essay-like language and unsupported claims.

18. Long-Form Content to Reels

Purpose: Repurpose one substantial source into multiple short videos

Prompt:
Analyze [ARTICLE / TRANSCRIPT / PODCAST NOTES / NEWSLETTER]: [SOURCE CONTENT]. Create 10 standalone Reel ideas for [TARGET AUDIENCE]. For each: title, 3-second hook, core message, 3 talking points, format, visual direction, CTA. Prioritize usefulness, originality, clarity. Use only supplied material and preserve nuance.

LinkedIn Posts

19. Thought-Leadership Post

Purpose: Express a credible professional point of view

Prompt:
Write a LinkedIn thought-leadership post about [TOPIC] for [PROFESSIONAL AUDIENCE]. Position: [POINT OF VIEW]. Evidence: [SOURCE INFORMATION]. Open with perspective, explain relevance, reason specifically, acknowledge a counterpoint, and end with a practical takeaway plus one thoughtful question. [WORD RANGE] words; short paragraphs; no clichés or fabricated stats.

20. Career Lesson Post

Purpose: Share a workplace lesson with authenticity and relevance

Prompt:
Write about a career lesson from [SITUATION]. Facts: [DETAILS]. Lesson: [LESSON]. Use Hook → Context → Challenge → Decision → Result → 3 Takeaways → Reflection. Relevant to [TARGET PROFESSIONAL AUDIENCE]. Do not dramatize or invent. [WORD RANGE] words. End with a specific experience-sharing question.

21. Complex Topic Made Simple

Purpose: Explain a professional subject to a beginner audience

Prompt:
Explain [COMPLEX TOPIC] to beginner [TARGET AUDIENCE], using [RELIABLE SOURCE NOTES]. Cover meaning, importance, analogy, misconception, 3 applications, and key takeaway. Define technical terms, keep limitations, distinguish facts from opinions, and stay under [WORD COUNT]. End with a natural save CTA.

22. Nuanced Contrarian Post

Purpose: Challenge conventional advice without manufacturing controversy

Prompt:
Challenge “[POPULAR BELIEF]” with [ALTERNATIVE VIEW], supported only by [EVIDENCE / EXPERIENCE / EXAMPLES]. Explain why conventional advice became popular, where it works, where it fails, and offer a nuanced alternative. Write for [AUDIENCE], respectfully. Invite informed disagreement. Max [WORD COUNT].

23. Professional Storytelling Post

Purpose: Convert an experience into a strong professional narrative

Prompt:
Turn [EXPERIENCE] into a LinkedIn story for [AUDIENCE] with lesson [LESSON]. Structure: tension, context, difficult decision, action, outcome, broader lesson. Preserve facts; improve flow. Do not invent dialogue, numbers, emotions, or achievements. End with a concise reflection.

24. Case Study Post

Purpose: Share a result while teaching readers how it was achieved

Prompt:
Create a case-study post from verified [CONTEXT], [PROBLEM], [CONSTRAINTS], [APPROACH], [ACTIONS], [RESULTS], [LESSON]. Structure: Hook → Challenge → Strategy → Execution → Results → Lessons → CTA. Focus on what [TARGET AUDIENCE] can learn. Protect confidentiality and avoid unsupported causation. CTA: [BUSINESS GOAL].

25. Build-in-Public Update

Purpose: Share progress transparently and extract useful lessons

Prompt:
Write a build-in-public update about [PROJECT OR GOAL] using [OBJECTIVE], [PROGRESS], [WHAT WORKED], [CHALLENGE], [METRICS OR NONE], [NEXT STEP]. Create an honest post for [AUDIENCE] with 3 useful lessons. Do not exaggerate or reveal confidential information. End with a specific challenge question.

26. Rough Notes to LinkedIn Post

Purpose: Turn incomplete professional notes into polished content

Prompt:
Edit [NOTES] into a professional LinkedIn post for [AUDIENCE], goal [GOAL], voice [VOICE]. Preserve meaning and facts; improve hook, logic, clarity, credibility, and conclusion. Remove repetition; invent nothing. Add 5 openings (conservative to bold), a version under 150 words, and 3 CTAs for discussion, growth, and lead generation.

▶ YouTube and Shorts

27. Strategic YouTube Idea Generator

Purpose: Develop video ideas aligned with audience demand and channel goals

Prompt:
Act as a YouTube strategist for [NICHE], serving [TARGET AUDIENCE]. Goal: [GROWTH / AUTHORITY / LEADS / REVENUE]. Pillars: [LIST PILLARS]. Generate 20 ideas grouped by pillar. For each: title, viewer problem/desire, angle, format, hook, 3-5 points, CTA. Balance evergreen, search, education, opinion, and story. Avoid duplicate ideas and vague promises.

28. Complete YouTube Script

Purpose: Produce a well-structured, retention-conscious long-form script

Prompt:
Write a [NUMBER]-minute script about [TOPIC] for [AUDIENCE]. Objective: [EDUCATE / ENTERTAIN / CONVERT]. Outcome: [OUTCOME]. Source: [RESEARCH / NOTES / OUTLINE]. Structure: Cold Open → Intro → Problem → Main Sections → Examples → Takeaways → CTA. Add natural transitions, honest curiosity loops, headings, estimated durations, and visual suggestions. Invent nothing.

29. YouTube Short Script

Purpose: Deliver one complete idea in less than 60 seconds

Prompt:
Write a [30 / 45 / 60]-second Short about [TOPIC] for [AUDIENCE]. Message: [KEY MESSAGE], supported by [SOURCE NOTES]. Start with the strongest idea; no greeting. Structure: Hook → Context → Value → Payoff → CTA. Provide timestamped script, on-screen text, visuals, 3 hooks, and 2 endings.

30. Titles and Thumbnail Concepts

Purpose: Develop compelling packaging without misleading viewers

Prompt:
Generate 16 title-thumbnail combinations for [TOPIC], aimed at [AUDIENCE], delivering [PROMISE]. Groups: search, curiosity, outcome, contrarian. For each: title, thumbnail visual, text (max 4 words), benefit/gap, misleading-risk check. Thumbnail should complement rather than repeat the title. No false urgency.

31. Beginner Tutorial

Purpose: Teach a process clearly to viewers with limited experience

Prompt:
Create a beginner tutorial about [SKILL OR TOPIC]. Audience knows [LEVEL] and wants [OUTCOME], using [TOOLS]. Produce hook, prerequisites, chapters, detailed steps, definitions, examples, mistakes, troubleshooting, and final action. Use [SOURCE INFORMATION]. Explain why key steps matter; do not invent product features.

32. Ten-Part YouTube Series

Purpose: Convert a broad subject into a structured learning journey

Prompt:
Turn [BROAD TOPIC] into 10 videos for [TARGET AUDIENCE], moving from [STARTING LEVEL] to [FINAL OUTCOME]. For each episode: search-friendly title, promise, prerequisites, 3-5 points, exercise, and bridge. Every episode must stand alone and support the full path. Flag topics to split or remove.

33. Long Video to YouTube Shorts

Purpose: Extract high-value short clips from existing long-form material

Prompt:
Analyze [VIDEO TRANSCRIPT] and identify 10 standalone Shorts for [AUDIENCE]. For each: title, hook, source section/timestamp, core idea, rewritten script, on-screen text, visuals, CTA. Keep one complete idea per Short, preserve meaning and qualifications, and avoid sensational contradictions.

Content Ideas and Planning

34. 30-Day Content Calendar

Purpose: Build an actionable multi-platform publishing plan

Prompt:
Build a 30-day calendar for [BRAND / CREATOR] in [NICHE]. Inputs: [AUDIENCE], [OBJECTIVE], [PLATFORMS], [3-5 PILLARS], [POSTS PER WEEK], [OFFER], [IMPORTANT DATES]. For each item include day, platform, pillar, topic, format, hook, message, CTA, and effort. Balance education, authority, community, story, and promotion. Keep workload realistic.

35. Content Pillar Strategy

Purpose: Establish sustainable themes that support audience and business goals

Prompt:
Develop 4-6 pillars from [NICHE], [AUDIENCE], [EXPERTISE], [OFFER], [GOAL], [PLATFORMS], [VALUES]. For each: strategic purpose, audience need, expertise link, 10 topic ideas, formats, and path to offer. Identify overlap and clarify boundaries. Keep promotion proportionate and prioritize standalone value.

36. Audience Pain-Point Content Map

Purpose: Build content around real audience needs and decision barriers

Prompt:
Map [TARGET AUDIENCE] seeking [DESIRED OUTCOME] but facing [KNOWN CHALLENGES]. Business goal: [GOAL]. Categories: beginner questions, frustrations, mistakes, misconceptions, fears, objections, outcomes, advanced questions. For each, generate [PLATFORM] ideas, format, CTA. Mark assumptions and rank by relevance and strategic value.

37. One Idea to 20 Content Assets

Purpose: Repurpose a core concept without producing repetitive posts

Prompt:
Repurpose [CORE IDEA / SOURCE] into 20 distinct assets for [AUDIENCE], goal [GOAL], across Instagram, LinkedIn, YouTube, and [OTHER PLATFORM]. Explore tutorial, story, mistake, myth, checklist, opinion, case study, FAQ, beginner, advanced. For each: platform, format, audience stage, hook, angle, CTA, and source connection.

38. Competitor Content Gap Analysis

Purpose: Identify opportunities without copying competitors

Prompt:
Analyze [COMPETITOR POSTS / TITLES / LINKS / NOTES / TRANSCRIPTS]. My brand serves [AUDIENCE] in [NICHE], positioned as [POSITIONING]. Identify repeated themes, problems, formats, strong patterns, overused angles, unanswered questions, missing segments, and differentiation. Recommend 15 original ideas with gap, format, hook, and fit. Label assumptions; never copy wording.

39. Content Funnel Plan

Purpose: Guide audiences from discovery to an informed purchase decision

Prompt:
Build a funnel for [TARGET AUDIENCE] considering [PRODUCT / SERVICE]. Use [OFFER], [PROBLEM], [OUTCOME], [OBJECTIONS], [PROOF], [PLATFORMS]. Stages: Awareness → Education → Trust → Conversion. Give 5 ideas per stage with audience question, purpose, format, message, CTA, and metric. Keep conversion transparent; no manipulative scarcity.

40. Weekly Content Operating System

Purpose: Create a sustainable workflow for a solo creator

Prompt:
Design a weekly content system for a solo creator in [NICHE] with [HOURS/WEEK], [PLATFORMS], [FREQUENCY], [GOAL], [FORMATS], [TOOLS], [DELEGATABLE TASKS]. Cover capture, research, outlining, creation, editing, approval, publishing, repurposing, engagement, review. Define batches, templates, metrics, hour allocation, and a minimum viable busy-week version.

✅ Prompt Quality Checklist

1. A defined goal - What should the content achieve?
2. Audience context - Who is it for, and what do they need?
3. Reliable source material - What facts, notes, or experiences should the AI use?
4. Output expectations - What structure, length, tone, and platform are required?
5. Accuracy safeguards - What must the AI avoid inventing?
6. A relevant CTA - What should the audience do next?

Professional-use note: These prompts use explicit goals, audience context, source boundaries, formatting instructions, and accuracy safeguards to produce more reliable, reusable output.
